### Last Week's Run

*text by Sloppy, pix from Snail Trail and Ting Tong*

Siblings Sinbin and Chatterbox set the first run of the year in San Kamphaeng. San Kamphaeng is Chiang Mai's cow country, there were tons of cows on the trail, and even more cowshit. And if the cowshit on your shoes wasn't enough, there was a nasty gulch ("Sloppier than Sloppy Rod", Prison Bitch declared) to cover your trainers in mud. Captain Awol failed to shortcut, Sups Shortcut the Wimp, and Bushwanker short-cut Sups. The Visitor Achmed the Savior and Cumalot earned the Wings for being the FRBs. We remained at the A bucket for the Ononon, and Hot Nipples was busy making Somtam to order. After that, there was a campfire, marshmallows, and drunken hashers dancing to old Isaan classics. Thanks Sinbin and Chatterbox for the great time.

Hare Brief

Through the rice fields

We passed by a lot of these fellows

Visiting GM Ting Tong followed by Austin, Grub and Graven Image

Racing FRBs (Obscene, Achmed the Savior and Captain AWOL) caught up to the Wimps Pussin-Boots

Circle check?

B&B, Tip Toe and Sups getting their feet muddy, while Skiddy watches

Young Austin goes down into the gulch, while Mom (Mew) and the Turk supervise.

Tiptoe gives Hot Nipples a hand out of the same gulch

Butterfly's new shoes are a mess and Poppy will hear about it from mom. On-In!

Track from Graven Image. Each dot represents a pile of cow shit (and if you look carefully, you can where he was racing at the end!)

Bunnies (Always on Top, Hot Nipples, Cumalot, Bushy Tail, Mew-visitor, Puss-in-Boots, Snail Trail) relaxing with snacks after the run.

Hares on the ice

Hash Cash Titty Smoker doin' his job ....

... punishing long time returners Hot Nipples and Mary Poppins with ice and beer.

Bushy Tail doing her best to avoid the ice.

Who is getting the Wings?

And then things got interesting! Onon!
