Last Week's Run

transcript of phone call with Titty Smoker, pix from Captain Hook

Sloppy Rod: How was the run Smokey?

Titty Smoker: Good Sloppy, good trails and quite a scenic area. But there were some cockups, it took the FRBs 1:40 to get in, and by that time, the walkers had already gotten into the beer. Due to the rain, some of the checks were washed out and we had trouble connecting up the trails. We then got lost in some elephant grass. And there was also a 300 meter false trail, and to make matters worse, it was near a circle check.

SL: Wow, sounds like an adventure!

TM: It was. Lucky I was there to lead the pack through that run, otherwise they still might be out there!

SL: And the circle?

TM: Excellent. I did a great job running the circle. Just Cumming helped out a bit and some bloke from BKK also had a big hand in giving out splashes. It went very well.

SL: I see.... And the wings?

TM: Naturally, I got the male wings and a long-time returnee named Plattypussy got the female wings.

SL: Hashit?

TM: Just Cumming, of course.

SL: Ok, thanks for taking care of business.

TM: No worries, I hope you feel better. See ya.
