Last Week's Run

Text by Sloppy, pix from Snail Trail

Graven Image was back at his favorite A-bucket at the Huay Jo Reservoir Dam (also known as the Tiger Head Dam). We started off down the face of the dam and into the boy scout camp, then through the famed "Tiger Head" back out to the street. One would think that this would be a good spot for a circle, but none was there, and truth be told, none was needed. The hashers spread out looking for paper even though the trail was clearly marked. Gravy then took us out into the familiar forest and mixed us up with clever circle and back checks. After 5 or 6 km of good running trail, he brought us up one last hill to the on-in, which overlooked the reservoir. Thanks Graven!
